Title: The spectacular
Author: Zoe Whittall
Call Number: FIC WHI

It's 1997 and Missy's band has finally hit the big time as they tour across America. At twenty-two years old, Missy gets on stage every night and plays the song about her absent mother that made the band famous. Missy is the only girl in the band and she's determined to party just as hard as everyone else, loving and leaving someone in every town. But then a forgotten party favour strands her at the border.

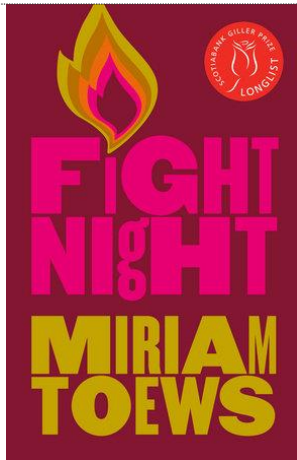

Title: Probably Ruby
Author: Lisa Bird-Wilson
Call Number: FIC BIR

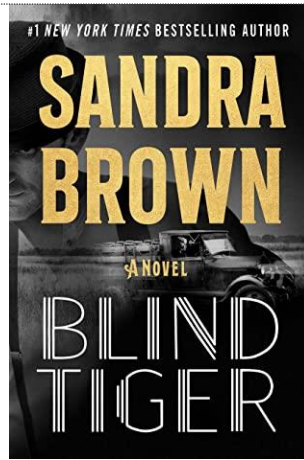

Forty-something Carola is just surfacing from a sex scandal at the yoga centre where she has been living, when she sees her daughter, Missy, for the first time in ten years—on the cover of a music magazine.

Ruth is eighty-three and planning her return to the Turkish seaside village where she spent her childhood. But when her granddaughter Missy winds up crashing at her house, she decides it's time that the strong and stubborn women in her family find a way to understand each other again.

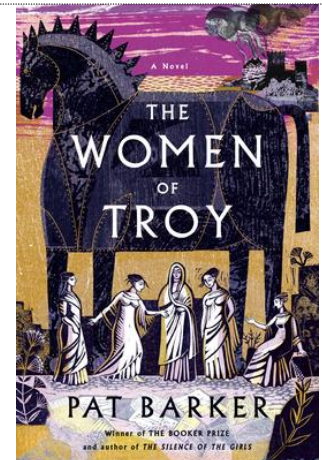

In her new book, by turns sharp and provocative, Zoe Whittall captures three generations of very different women who struggle to build an authentic life in the absence of traditional familial and marital structures. Definitions of family, romance, gender and love will radically change as they seek out lives that are nothing less than spectacular.

Title: The storm is upon us
Author: Mike Rothschild
Call Number: 973.333 ROT

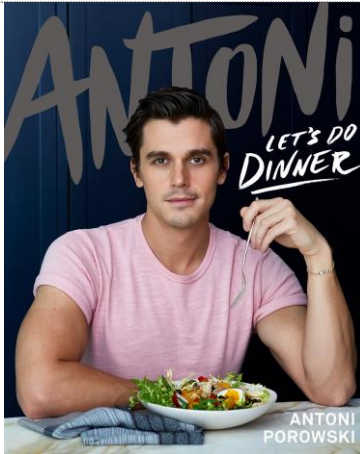

On October 5th, 2017, President Trump made a cryptic remark in the State Dining Room at a gathering of military officials. He said it felt like “the calm before the storm”—then refused to elaborate as puzzled journalists asked him to explain. But on the infamous message boards of 4chan, a mysterious poster going by “Q Clearance Patriot,” who claimed to be in “military intelligence,” began the elaboration on their own.

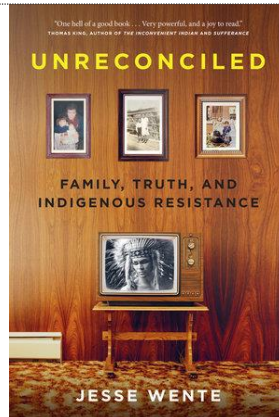

Title: Permanent Astonishment
Author: Tomson Highway
Call Number: 813.54 HIG

In the days that followed, Q’s wild yarn explaining Trump’s remarks began to rival the sinister intricacies of a Tom Clancy novel, while satisfying the deepest desires of MAGA-America. But did any of what Q predicted come to pass? No. Did that stop people from clinging to every word they were reading, expanding its mythology, and promoting it wider and wider? No.

Why not? Who were these rapt listeners? How do they reconcile their worldview with the America they see around them? Why do their numbers keep growing? Mike Rothschild, a journalist specializing in conspiracy theories, has been collecting their stories for years, and through interviews with QAnon converts, apostates, and victims, as well as psychologists, sociologists, and academics, he is uniquely equipped to explain the movement and its followers.
